Fish & Chips

Fish and chips are still the number one fast food choice across the nation.

Fish and chips quality has been a constant theme throughout the history of the fast-food industry. After decades of the traditional battered fish, the industry has moved on to offer a wider range of options. The most popular choice has to be a day-to-day fish or potato, which has become a staple of the fast-food industry. Jokes
Did you hear about the fight in the local chippy? It was terrible... the cod got battered.

French Fries
Did you hear about the fight in the local chippy? It was terrible... the cod got battered. I tried to get my local chippy interested in selling Mars bars in batter. But he said he had bigger fish to fry. What does a computer eat when it's hungry? Chips. One byte at a time. By the Godfather.
