

Tact

**Otra manera de comunicarse.
Otra manera de sentir.**

Another way to communicate. Another way to feel.

La colección Tact es una llamada a la acción. Se trata de una propuesta provocadora que refleja la forma de hacer de Comas: inspirar, crear y proponer siempre nuevos caminos.

Diseñada junto a Pablo Castillo, Tact propone maximizar nuestra sensorialidad. Su nombre refiere al tacto. Una familia de líneas suaves y curvas generosas, que contrastan con la rugosidad en mano producida por el relieve del mensaje en Braille.

Tact esconde mensajes a ser descifrados: cambia, piensa, elige, lucha, provoca, comparte, juega, esfuérzate. Y como no podía ser de otra manera para nosotros: Inspira, crea.

Un recuerdo a que siempre existen otros lenguajes.

The Tact collection is a call to action. It is a provocative concept that reflects Comas' approach: always inspiring, creating and forging new paths.

Designed together with Pablo Castillo, Tact aims to maximise our sensory appeal. Its name refers to the sense of touch. A family of smooth lines and generous curves, contrasting with the rougher, raised texture created by the Braille message.

Tact hides messages to be deciphered: change, think, choose, fight, provoke, share, play, strive. And, of course: Inspire, create.

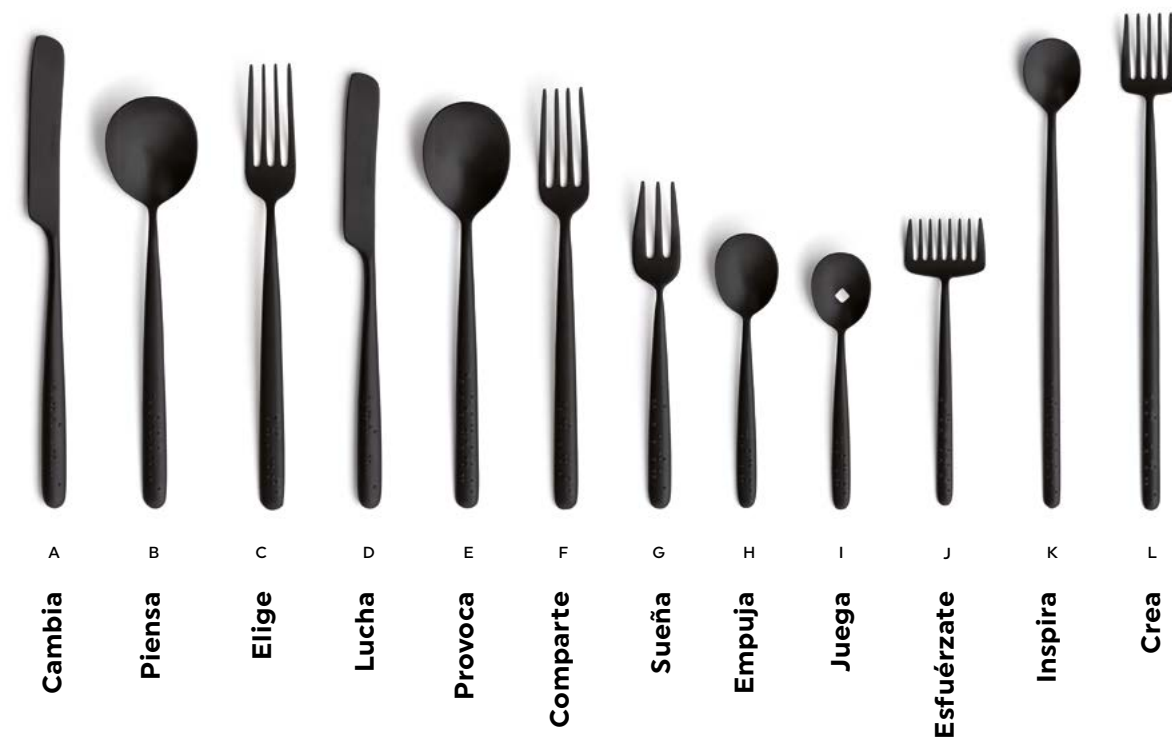

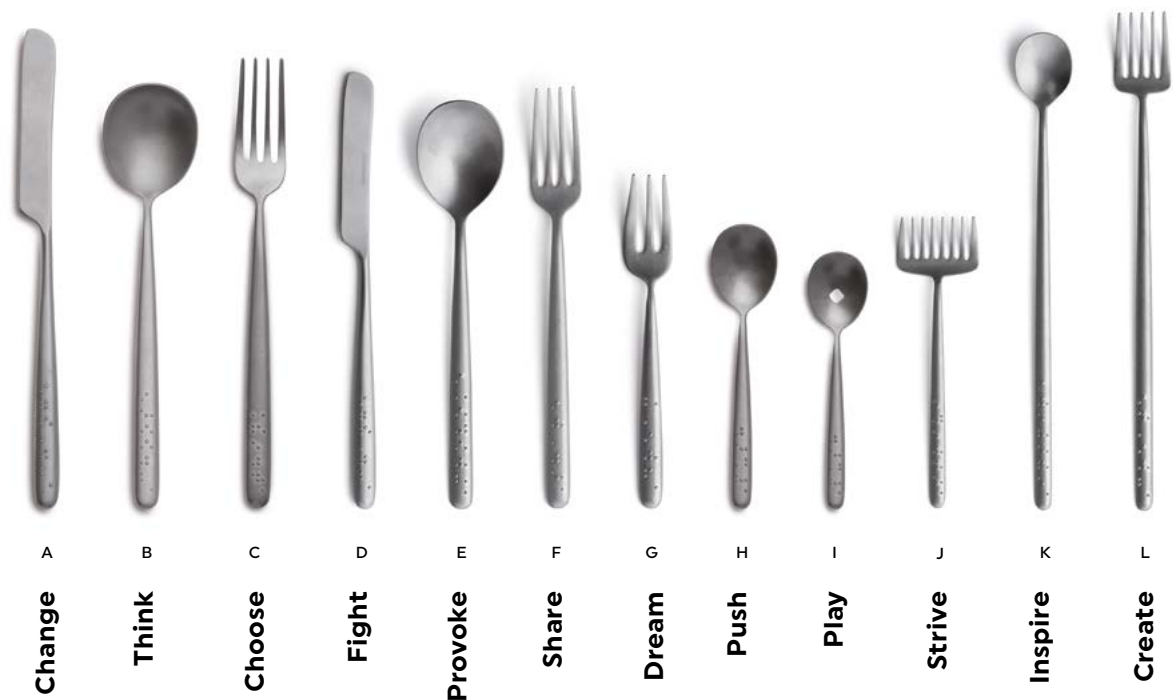

A reminder that there are always other languages.
