

## RODA

*Torres Euracini*

Roda is a simple yet significant collection by Torres Euracini. Its organic lines and exceptional glaze finish make it stand out in professional settings. Designed for adaptability and efficiency, each piece offers the freedom to create minimalist and versatile presentations. Inspired by the Latin word "rota", meaning circular movement, "Roda" symbolizes unity. It reflects the idea of bringing people together at the table to share flavors, experiences, and stories in a circle of connection and joy.

*«The visual range of RODA offers a broad variety of possibilities to play with the best flavors of all seasons, masterfully created by the artists of fine dining and subtle taste.»*
