

HKoenig

dsy900

food dehydrator

Enjoy your favourite fruits all year long

The H.Koenig DSY900 food dehydrator is the ideal device to prepare dried fruits and vegetables.

Preserve all the flavours and nutritional benefits of your food and enjoy it all year round.

Fruits, vegetables, mushrooms, fish, meat or aromatic herbs, the DSY900 dehydrates all and any type of food.

Ranging from 35° to 70°, you can set the temperature and timer as you please from the LCD touchscreen.

Practical, its large capacity of six trays and its ventilation system allow for a uniform heat distribution for a perfect result.

Treat your family to healthy snacks with the DSY900.
