

Referencia/ Reference	Descripción/ Description	Imagen/ Picture
HR053	Racor cable de alimentación/ Power cable connector	
HR054	Rodamiento estanco/ Waterproof bearing (6005 2ZR FAG) (SELF-SERVICE PRO & INDUSTRIAL)	
HR055	Rodamiento Estanco/ Waterproof bearing (6006 2ZR FAG) (MIZUMITO, MODELOS EASY-PRO FORZE, SELF-SERVICE PRO & INDUSTRIAL)	
HR056	Porta fusible cableado/ Wired fuse holder	

HR057	Fusible 5A/ 5A Fuse	
HR058	Soporte de nylon trasero (II)/ Back nylon bear (II) (GAMA EASY-PRO EXCLUIDO MODELOS FORZE)	
HR059	Soporte de nylon delantero (II)/ Front nylon bear (II) (GAMA EASY-PRO EXCLUIDO MODELOS FORZE)	
HR030	Cable de alimentación/ Power line	
HR060	Pelador (II)/ Peeler (II)	

HR061	Soporte del pelador (II)/ Peeler pedestal (II)	
HR062	Eje del pelador (II)/ Peeler shaft (II)	
HR063	Eje de la cuchilla (II)/ Blade support (II)	
HR064	Base de cuchilla (II)/ Knife base (II)	
HR010	Cuchilla / Knife	

HR039	Tornillo de presión (II)/ Pressing screw (II)	
HR065	Rodillo cóncavo (II)/ Concave roller (II)	
HR066	Rodillo convexo (II)/ Convex roller (II)	
HR067	Filtro de zumo (II)/ Juice filter (II) (GAMA EASY-PRO)	

HR068	Recolector de zumo (II)/ Juice collector (II) (GAMA EASY-PRO)	
HR069	Bandeja anti goteo (II)/ Anti-drip tray (II) (GAMA EASY-PRO)	
HR070	Riel (II)/ Rail (II) (GAMA EASY-PRO & MIZUMITO)	
HR071	Cubierta (II)/ Cover (II) (GAMA EASY-PRO)	

HR072	Cesta de alimentación (II)/ Top basket (II) (GAMA EASY-PRO)	
HR073	Cesta superior acero inoxidable (II)/ Stainless steel top basket (II) (GAMA EASY-PRO)	
HR074	Carril de alimentación (II)/ Feeding rail (II) (GAMA EASY-PRO EXCLUIDO MODELOS FORZE)	
HR075	Carril de alimentación/ Feeding rail (MODELOS EASY-PRO FORZE)	

HR076	Recipiente cascara acero inox. (II)/ Stainless steel bin (II) (EASY-PRO)	
HR077	Recipiente cascara (II)/ Bin (II) (EASY-PRO)	
HR078	Pies (II)/ Feet (II) (GAMA AUTO-PRO & GAMA EASY-PRO EXCLUIDO EVO (P) PODIUM)	
HR079	Motor 120 W/ 120 W Motor	

HR080	Refuerzo soportes de nylon traseros (II)/ Reinforcement rear nylon supports (II) (GAMA EASY-PRO EXCLUIDO MODELOS FORZE)	
HR081	Engranaje de nylon 52 dientes/ 52 teeth nylon gear	
HR082	Engranaje de nylon 39 dientes/ 39 teeth nylon gear	
HR026	Engranaje de acero impulsor/ Drive metal gear	
HR027	Engranaje de acero del motor / Metal gear on shaft of motor	

HR083	Condensador motor 120 W/ 120 W motor capacitor (450V-AC, C1-C, 10 $\mu$ F 5 %, 50/60HZ)	
HR012	Interruptor/ On-Off switch	
HR035	Interruptor de seguridad/ Safety switch	
HR084	Asa plástico/ Plastic grip	
HR085	Cubierta de acero inoxidable SS (II)/ Stainless steel cover SS (II)	

HR086	Ventana metacrilato cubierta (II)/ Methacrylate window cover SS (II) (EASY-PRO SS)	
HR087	Filtro de zumo SS (II)/ Juice filter SS (II) (EASY-PRO SS)	
HR088	Recolector de zumo SS (II)/ Juice collector SS (II) (EASY-PRO SS)	
HR089	Recipientes de cascara acero inox. (II)/ Stainless steel bins (II) (EASY-PRO SS)	

HR090	Recipiente de cascara naranja/ Orange bin (EASY-PRO EVO P)	 An orange plastic bin with a central compartment and two side compartments, featuring a circular grate on the bottom of the central section.
HR093	Recipiente de cascara acero inox./ Stainless steel bin (EASY-PRO EVO S)	 A stainless steel bin with a similar design to the orange bin, featuring a central compartment and two side compartments, with a circular grate on the bottom of the central section.
HR096	Recipiente de cascara naranja / Orange bin (EASY-PRO EVO P PODIUM)	 An orange plastic bin with a similar design to the orange bin, featuring a central compartment and two side compartments, with a circular grate on the bottom of the central section.
HR097	Armario modelo EVO P PODIUM/ Bottom cabinet EVO P PODIUM	 An orange cabinet on wheels with a single door and a black handle, mounted on four casters.

HR098	Bandeja giratoria / Rotation plate (AUTO-PRO)	
HR099	Filtro de zumo/ Juice filter (AUTO-PRO)	
HR100	Recolector de zumo/ Juice collector (AUTO-PRO)	
HR101	Grifo auto servicio / Automatic tap (AUTO-PRO)	

HR102	Recipiente de cascara acero inox. / Stainless steel bin (AUTO-PRO)	 A stainless steel bin with a central vertical slot and two side panels, designed for collecting peels.
HR103	Cesta superior / Top basket (AUTO-PRO)	 A stainless steel top basket with a grid-like structure, mounted on a base.
HR104	Cubierta/ Cover (AUTO-PRO)	 A clear, rectangular cover with a yellow frame, featuring the 'mizumo' logo at the bottom.

HR105	Kit engranajes bandeja giratoria/ Rotation tray gear kit (AUTO-PRO)	 A metal gear kit for a rotation tray, featuring a central shaft with a gear, a smaller gear, and a motor housing component.
HR106	Riel de alimentación/ Guiding rail AUTO-PRO & EASY-PRO SS (II)	 A stainless steel guiding rail, which is a cylindrical metal cage with a central opening.
HR107	Contador / Counter (AUTO-PRO CONTADOR/ COUNTER)	 A black electronic counter device with several buttons and a small display screen.
HR108	Placa electrónica de control/ Electronic control panel (AUTO-PRO CONTADOR/ COUNTER)	 An electronic control panel with a printed circuit board, various components, and a power supply unit.

HR109	Sensor interior contador/ Interior sensor counter/ (AUTO-PRO CONTADOR/ COUNTER)	 A circular, light-colored sensor with a black cable attached to a brass fitting.
HR110	Motor 200 W/ 200 W motor (AUTO-PRO & GAMA EASY-PRO)	 A black, cylindrical induction motor with a label and a mounting bracket.
HR111	Soporte recolector de zumo/ Juice collector support (AUTO-PRO)	 A long, thin, cylindrical metal support with a pointed end.
HR112	Tuerca de presión bandeja giratoria/ Pressing screw of the top basket (AUTO-PRO, INDUSTRIAL, SELF-SERVICE PRO)	 A cylindrical metal screw with a textured surface.

HR113	Tornillo de presión cesta superior/ Pressing screw of the top basket (AUTO-PRO, INDUSTRIAL, SELF-SERVICE PRO)	
HR114	Soporte bandeja giratoria/ Rotation plate support (AUTO-PRO)	
HR115	Botón contador +1/ Counter botton +1 (AUTO-PRO Contador /Counter)	
HR116	Controlador grifo de autoservicio/ Automatic tap controller (AUTO-PRO & SELF-SERVICE PRO)	
HR117	Sensor grifo de autoservicio/ Automatic tap sensor (AUTO-PRO & SELF-SERVICE PRO)	

HR118	Kit engranajes bandeja giratoria/ Rotation tray gear kit (SELF-SERVICE PRO/ INDUSTRIAL)	 A black metal gear kit for a rotation tray, featuring a central shaft with a gear and a mounting bracket with four screws.
HR051	Cubierta sin mangas (II) (Mangas ver ref. HR052, página 26)/ Cover without conduct covers (II) (Conduct covers ref. HR052, page 26) (SELF SERVICE PRO & INDUSTRIAL)	 A clear plastic cover for a juicer, featuring a handle on the left side and the 'mizumo' logo in the center.
HR119	Depósito de zumo / Juice collector (INDUSTRIAL)	 A clear plastic juice collector with a spigot at the bottom and a lid on top.

HR120	Grifo/Tap (INDUSTRIAL)	 A stainless steel industrial tap with a black lever handle and a chrome finish.
HR121	Filtro de zumo/ Juice filter (INDUSTRIAL)	 A rectangular stainless steel juice filter with a perforated surface and a central handle.
HR122	Recolector de zumo/ Juice collector (INDUSTRIAL)	 A stainless steel juice collector with a curved, shallow design and a central outlet.
HR123	Filtro de zumo/ Juice filter (SELF-SERVICE PRO)	 A stainless steel self-service juice filter with a perforated surface and a central handle.

HR124	Recolector de zumo/ Juice collector (SELF-SERVICE PRO)	
HR125	Grifo automático/ Automatic tap (SELF-SERVICE PRO)	
HR049	Antisalpicadura/ Anti-splash plate (SELF-SERVICE PRO)	
HR126	Motor 370 W/ 370 W motor (INDUSTRIAL & SELF-SERVICE PRO)	

HR052	Mangas cubierta de plástico / Plastic conduct covers (SELF-SERVICE PRO & INDUSTRIAL)	
HR127	Conducto acero inoxidable de residuos/ Stainless steel conduct covers (INDUSTRIAL)	
HR128	Conducto acero inoxidable de residuos izquierda / Left stainless steel conduct cover (SELF-SERVICE PRO)	

HR194	Conducto acero inoxidable de residuos derecha / Right stainless steel conduct covers (SELF-SERVICE PRO)	
HR129	Removedor de depósito/ Deposit remover (INDUSTRIAL)	
HR130	Riel de alimentación/ Guiding rail (SELF-SERVICE PRO & INDUSTRIAL)	
HR131	Filtro antigoteo/ Anti-drip filter (EASY-PRO EVO GRIFO/TAP)	

HR132	Bandeja antigoteo/ Anti-drip tray (SELF-SERVICE PRO)	 A circular, silver-colored metal tray with a central hole and a grid of smaller holes around it, used for catching drips.
HR133	Soporte cubierta/ Cover support (SELF-SERVICE PRO & INDUSTRIAL)	 A long, cylindrical metal rod with a threaded end, used as a support for a cover.
HR134	Soporte plástico recolector de zumo/ Plastic juice collector pendant (INDUSTRIAL)	 A rectangular, orange plastic piece with two circular holes, used as a juice collector pendant.
HR135	Pies/ Feet (SELF-SERVICE PRO & INDUSTRIAL)	 A small, black, cylindrical foot with a threaded top, used for leveling the machine.
HR136	Boca grifo autoservicio/ Automatic tap support (AUTO-PRO & SELF-SERVICE PRO)	 A small, cylindrical metal component with a threaded top, used as an automatic tap support.

HR137	Bandeja antigoteo/ Cabinet tray (INDUSTRIAL)	
HR138	Soporte riel/ Rail support (SELF-SERVICE PRO & INDUSTRIAL)	
HR140	Tuerca de presión cubierta/ Pressing screw of the cover (SELF-SERVICE PRO & INDUSTRIAL)	
HR141	Cesta superior / Top basket (SELF-SERVICE PRO & INDUSTRIAL)	
HR142	Bandeja rotativa/ Rotation plate (SELF-SERVICE PRO & INDUSTRIAL)	

HR143	Engranaje nylon 44 dientes/ 44 teeth nylon gear	
HR144	Engranaje nylon 34 dientes/ 34 teeth nylon gear	
HR145	Cubos de residuos de plástico / Plastic waste bins (SELF-SERVICE PRO & EVO P PODIUM)	
HR146	Cubo de residuos de plástico/ Plastic waste bin (INDUSTRIAL)	

HR147	Cono grande/ Big cone (CITRIC)	
HR148	Cono pequeño/ Small cone (CITRIC)	
HR149	Filtro pulpa/ Pulp filter (CITRIC)	
HR150	Recolector de zumo/ Juice collector (CITRIC)	

HR151	Interruptor/ On-Off switch (CITRIC)	
HR152	Bandeja giratoria / Rotation plate (MIZUMITO)	
HR153	Cesta superior/ Top basket (MIZUMITO)	
HR154	Rodillo cóncavo / Concave roller (MIZUMITO)	

HR155	Filtro de zumo / Juice filter (MIZUMITO)	
HR156	Rodillo convexo / Convex roller (MIZUMITO)	
HR157	Cuchilla/ Knife (MIZUMITO)	
HR158	Bisagra/ Hinge (MIZUMITO)	

HR159	Calibrador / Calibre (MIZUMITO)	
HR160	Pelador derecha/ Peeler (right side) (MIZUMITO)	
HR186	Pelador izquierda/ Peeler (left side) (MIZUMITO)	
HR161	Motor 90 W/ 90 W Motor (MIZUMITO)	

HR162	Engranaje de nylon 45 dientes/ Nylon gear 45 teeth (MIZUMITO)	
HR163	Tuerca de presión bandeja giratoria / Pressure nut of the rotation plate (MIZUMITO)	
HR164	Soporte pelador/ Peeler house (MIZUMITO)	
HR165	Sensor magnético de seguridad/ Security sensor magnetic (MIZUMITO)	
HR166	Grifo/ Tap (MIZUMITO)	

HR167	Cubierta / Cover (MIZUMITO)	
HR168	Recipiente de cascara/ Plastic bins (MIZUMITO)	
HR169	Soporte bandeja giratoria / Rotation plate base (MIZUMITO)	
HR170	Controlador electrónico de seguridad/ Electric safety controller (MIZUMITO)	

HR171	Ventilador/ Ventilator (MIZUMITO)	 A black square fan with a white center and the Mizumo logo. It has three wires (red, black, and blue) extending from the back.
HR172	Eje cuchilla/ Knife shaft (MIZUMITO)	 A long, silver metal shaft with a threaded end and a smooth end.
HR173	Kit engranajes bandeja giratoria/ Rotation tray gear kit (MIZUMITO)	 A metal gear kit consisting of a central gear, a smaller gear, and a metal frame with mounting holes.
HR174	Cuenta vueltas/ Turns counter (AUTO-PRO CONTADOR/ COUNTER)	 A white, oval-shaped plastic component with a black hole in the center and a small red mark on the side.

HR175	Retén/ Lip seal (25x52x7 DL) (SELF-SERVICE PRO & INDUSTRIAL)	
HR176	Retén/ Lip seal (40x62x8 DL) (MIZUMITO, MODELOS FORZE, SELF-SERVICE PRO & INDUSTRIAL)	
HR177	Pies/ Feet (CITRIC)	
HR178	Engranaje de motor/ Motor gear (MIZUMITO)	

HR179	<p>Condensador de motor 370 W/ 370 W motor capacitor (250V-AC, C, 50<math>\mu</math>F 5 %, 50/60HZ) (SELF-SERVICE PRO &amp; INDUSTRIAL)</p>	
HR180	<p>Condensador de motor 200 W/ 200 W motor capacitor (450V-AC, C22.2, 6<math>\mu</math>F 5 %, 50/60HZ) (GAMA EASY-PRO &amp; AUTO-PRO)</p>	
HR020	<p>Bandeja/ Tray (GAMA EASY-PRO)</p>	
HR021	<p>Soporte de bandeja/ Tray housing (GAMA EASY-PRO)</p>	
HR190	<p>Bandeja antigoteo/ Anti-drip tray (SELF-SERVICE PRO)</p>	

HR191

Soporte para cuello de botellas 38/33 /  
Bottle neck rack holder 38/33  
(SELF-SERVICE PRO)
