THERMOSTEEL®

# CUBETAS GN **INOX**

## GN120200

**CUBETAS GN para la restauración profesional.**

- Versátil y modular, la Serie GN confirma nuestro esmero por realizar componentes de uso amplio, que se adapten tanto a cocinas domésticas como a estructuras de restauración profesional.
- Sin límites de empleo: para el calor o para el frío, para estanterías o para estructuras de almacenaje, nuestros recipientes demuestran ser adecuados ante cualquier necesidad.
- Los productos de la Serie GN están construidos en acero inoxidable 18/10 AISI 304 apto para el contacto con los alimentos según la directiva UE 89/109.
